TO: Each Health Deputy

SUBJECT: **NOTICE OF INTENT TO AUGMENT**: **AIDS PROJECT LOS ANGELES
            CONTRACT NO. H-700940, SCHEDULES 17 AND 18, HIV/AIDS HEALTH
            EDUCATION/RISK REDUCTION SERVICES**

This is to advise you that the Department's Office of AIDS Programs and Policy will be implementing the fifteen percent provision of Contract No. H-700940 with AIDS Project Los Angeles. The provision allows the Director of Public Health or his designee authorization to augment services and allocations up to fifteen percent of the contract's budget.

We will authorize an augmentation of $8,000, increasing the maximum obligation of the contract to $1,472,044, for the term of January 1, 2008 through December 31, 2008. These funds will enable the agency to offer educational activities as well as a speaker's institute to educate and inform the community on emerging trends in HIV prevention. Funding is one-time-only and will be obtained from the Centers for Disease Control and Prevention.

If you have any questions or need additional information, please let me know within two weeks of the date of this letter. Unless I hear otherwise from you, the augmentation will be implemented.
